Things to do in Athlone

Situated in the heart of the midlands, on the banks of the River Shannon, Athlone is an energetic and culturally vibrant place to visit. While you are here you can choose from a variety of activities and events:

On the Water - Make the most of Ireland's longest river with cruises and water sports.

Culture & Majesty - Explore one of Ireland's most ancient monastic sites, trek through the wilds of an abandoned medieval town.

Family Fun - Enjoy animal magic, zipline through trees and cruise with Vikings.

Great Days & Nights - Discover hidden gems, play stunning golf courses, explore picturesque cycle trails, enjoy gastro delights and visit Ireland's oldest pub.

Lap of Luxury - Treat yourself to a stay in one of the areas' luxury hotels - choose peace by the river, or stay close to the action in the centre of town.

Treks & Trails - Whether you want to hear peaceful whispers of the wind and water lapping on the shores of the Shannon or feeling more energetic and fancy a cycle on the Greenway, enjoy the fresh air and explore Athlone's treks and trails.
